

DEPARTMENT OF EDUCATION OF PORTO RICO
Office of the Commissioner
San Juan

Circular Letter No. 54.
February 1, 1912.

To the Supervising Principals.

Gentlemen:-

Under separate cover we are sending you a supply of application blanks for examinations, and a supply of Medical Certificates.

You will note that some changes have been made in the rural application blank. Please have all applicants for the rural license use the new form. The old form of application for graded and principal examinations will be used until the present supply is exhausted.

The Medical Certificates, properly filled out, should accompany these applications when they are forwarded to the Department, as stated in Department Circulars Nos. 46 and 47. The Medical examination will be made free of charge, according to the following extract from a circular of the Director of Sanitation to the Health Officers:

"Por la presente se informa á todos los Oficiales de Sanidad que es uno de sus deberes expedir los Certificados de Salud a todas aquellas personas que lo soliciten, de acuerdo con las Reglas y Reglamentos del Departamento de Instrucción."

Yours very truly,

(Signed) Edwin G. Dexter
Commissioner of Education.
